**Thiruvottiyur, Chennai- 19**

## **SELF CERTIFICATE**

**The 'Maharishi Vidya Mandir' Bala Bhavan , Chennai was established in 2016 at Old Washermenpet for primary classes and then expanded its wings to Thiruvottriyur and Kaladipet.**

**It is a unique educational institution, the campus of which combines the three-in-one, ie., primary, middle and high school was started by Ms.Harshini Rajram, the Project Head and Correspondent who is a highly competent person and has promoted academic excellence in all her group schools to make education meaningful and character building.**

**We are committed to synchronizing the vision and educational models propounded by Dr.Maria Montessori and Shri.Maharishi Mahesh Yogi.**

**In 2017 we started our middle school under the name Maharishi Vidya Mandir Senior Secondary School at Thiruvottriyur, the first school at North Chennai to provide a Montessori system of education till class VII. We now have more than 900 children studying at our facility from Pre - KG to class XII.**

**We provide world class education by adapting Montessori methodology that believes in the sanctity of enabling and supporting the free will of each child in the learning process; and by implementing the CBSE curriculum that tasks the child to scrupulously follow a prescribed syllabus .**

**To provide a holistic learning to the children and to prepare them to acquire the 21st century skills, we thought of initiating many new measures by collaborating with many schools across the nation.**
